Dear Sir:

We, Erik J. Bjornard and William A. Meredith, inventors in the above application, declare that:

1. Every error in the patent which was corrected in the present reissue application, and which is not covered by the prior oath(s) and/or declaration(s) submitted in this application, arose without any deceptive intention on the part of the applicants.

2. All statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dear Sir:

I, William A. Meredith, an inventor in the above application state that:

1. I have conducted a search for the original Patent No. 5,579,162 of the above reissue and have been unable to locate it. Accordingly, on information and belief, the original of Patent No. 5,579,162 is lost or inaccessible.

2. All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that the statements were made with the knowledge that willfull statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity o the application or any patent issued thereon.

Dated: 7-21-03
